Treasurer's report received and we are still solvent.

The Fur Rendezvous office was contacted regarding the Cabin Fever Sectional. Message was taken for the coordinator of events. Was told I would receive a call after this person returned from lunch. No call was received. So schedule is not complete for the winter sectional.

The suggested dates for the Cabin Fever Sectional are March 1 – 5, 2017.

A letter was received from Virginia Duffy regarding the handicapping methods used for the Saturday evening game. She also complained about the record keeping of the club in general. Don Bladow will write a response.

Marion Kelly will review the liability policy currently in force for the club manager and directors.

The Bridge Center is now an attraction on Trip Advisor. Be sure to do a review so we no longer appear in the "backwater" reaches of the site.
