Treasurer's Report

All is going well. The NLM Sectional was a great financial success, netting about \$1150 after expenses. Approximately \$420 was collected for local charities during charity month. Checks were sent to Bean's Café and the second hand store next door.

Regional update: The auction is going well. Suggested that pencils might be a good thing to have for the regional. Should request a blast from the ACBL. Suggested to check with Tom Ottley about cooking for the charity game.

Suggested that Don check on patches for the regional as well as the pencils.

Meeting adjourned at about 6:50 PM.
